The world with all its amusements can lure us

We must be careful about what the world offers us

Many of us here today are either demanding or have demanded our portion of the inheritance in terms of marriage, work, travel, healing

### 4. Verses 15,16

When he was with his father he ate well, but in the world where he thought there was enjoyments he ended up eaten swine foods

Many of us because of our association with the world are eating swine food of envy, jealousy, backbiting, witchcraft, fornication, etc.

### 5. Verses 17, 18

Because we have a loving and wonderful father who is ready and looking forward to receive us
